

Seat-592 Instructions

1. Fit the frame(A) of the golf bag holder onto your rear grab bar.
 - **PLEASE NOTE IT WILL BE SNUG AND IS BEST TO FIT IT FIRST TO AVOID BREAKING OTHER COMPONENTS**
2. Slide the top arm (B) onto the frame (A). Use Hardware H1 (Quantity of 2) to attach the top arm.
3. Attach the clips (C) (quantity of 2) to the middle arm of the frame (A) using hardware (H2) (quantity of 4).
4. Align the strap's (D) hole up with the hole on the middle arm of the frame (A) and place the gasket (E) over it. Mark where the bolt hole should be on the gasket and place a hole in the gasket.
5. Attach the strap (D) and the Gasket (E) using the hardware (H3) (quantity of 1). The Gasket will go on before the strap.
